Please be aware that the indoor playbarn (soft play) and farm are separate sessions. If you wish to visit both, you must book two separate sessions, and you **MUST** visit the indoor playbarn (soft play) first. Once you have been out on the farm you may not come back into the indoor playbarn (soft play).

TOP TIPS TO ENJOY YOUR DAY

- If you are using the indoor playbarn (soft play) please remember your **SOCKS**. Anyone using the equipment (children and adults) must be wearing socks at all times.
- Please be aware that our café will be open throughout your visit. If you wish to bring a picnic these are only permitted outside on the farm. Only food and drink purchased at Jake's may be consumed in the indoor play barn (soft play)
- Don't forget that if you are booking both an indoor playbarn (soft play) session and an outdoor farm session then you **MUST** visit the inside area first. Once you have been out on the farm you will not be permitted into the soft play.
