

Dear Schools,

With planning for the summer term in full swing, we wanted to take this opportunity to write to you to let you know what a great venue Jakes Playbarn & Mini Farm is for a school trip.

Here at Jakes we can offer flexible packages to suit different age groups and tailor them to the needs of your school and students, all whilst remaining well priced!

Come and visit our large indoor softplay, stretched out over 3 levels with our 3 lane rainbow wave slide, aerial glider, ball canons, snake slide, mini football court and our interactive games mat. What better place for children to exercise, enjoy creative play and burn off excess energy?!

Our mini farm offers a wide variety of animals to meet, pet and feed including sheep, goats, pigs, alpacas, guinea pigs, rabbits, chickens and many more. You can also visit our creepy crawlies in the reptile house. Take a walk around our 2 large lakes and spend time spotting the abundance of wildlife that we have here at Jakes. Pick up a bird watching sheet or book in for an optional pond dipping session to enhance your trip even more!

Also out on the farm, enjoy our bouncy pillows, music area, construction site, obstacle courses, play areas, sand pit and much MUCH more, the only difficulty of this trip will be deciding what to do first!

Enjoy free activity sheets for the farm including our 'Fairy Door Hunt' & 'Animal Passport Stamps' to help structure your day out on the farm. Let us know if you would like a current learning topic to be linked into your school trip and we will be more than happy to work with you to arrange a suitable learning sheet or activity for the group!

Get in touch today by calling **01252 871007** or email us at **trilakes@jakesplayworld.com** for more information and help booking. Free visit prior to trip for teachers to support with planning and risk assessments.

We can't wait to hear from you!
