

“METAMORPHOSIS” INSECT AND BUG BONANZA

Come along and meet the amazing travelling insect house. This is the UK's largest travelling insect show with a massive range of live invertebrates, from giant spiders and giant insects through to the amazingly cryptic and beautiful mantids, and just about everything in between. With expert staff this experience will make for an enjoyable and educational day for all!

For those brave enough, you even get a chance to hold some!!!

Tues 01st Aug

& Thurs 24th Aug

10.30 - 17.30
