TOP TIPS TO ENJOY YOUR DAY

- Don't forget that if you are visiting both the indoor soft play and outdoor farm then you **MUST** visit the inside first. Once you have been out on the farm you will not be permitted into the soft play.
- If you are using the indoor soft play please remember your **SOCKS**. Anyone using the equipment (children and adults) must be wearing socks at all times.
- Please be aware that our café will be open throughout your visit. If you wish to bring a picnic these are only permitted outside on the farm. Only food and drink purchased at Jake's may be consumed in the indoor soft play.
